# SIU PEDIATRICS

The Department of Pediatrics at SIU Medicine offers your patients care in more than 20 pediatric specialties. When you refer your patients to us for specialty care, our specialists will treat your patients and return them back to you for follow-up care. We offer convenient locations through our regional outreach clinics located in Springfield, Carlinville, Effingham, Quincy, Jacksonville, Decatur and Carbondale.

## VIRTUAL VISITS

EXPANDED ACCESS TO PEDIATRIC SPECIALTY SERVICES

Refer a patient for a telehealth visit: SIU Medicine currently offers direct-to-patient telehealth appointments in addition to its typical telehealth appointments where patients are located at a partnering healthcare facility for their appointments. Your patients can talk with an SIU Medicine specialist using video chat functionality. If your team would like to refer a patient to an SIU Medicine specialist, several pediatric specialties are available:

- Cardiology
- Endocrinology
- Gastroenterology
- General Surgery
- Genetics
- Hematology/Oncology
- Infectious Diseases
- Neurology
- Nephrology
- Nutrition
- Orthopedic Surgery
- Otolaryngology (ENT)
- Plastic Surgery
- Pulmonology
- Urology

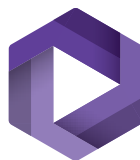

To refer a patient to a pediatric specialist,  
please call 217-545-8000.

**SIU Medicine Pediatrics | Women & Children's Clinic**  
400 N. 9th Street | Springfield, Illinois

To receive information, make a referral  
or request a provider-to-provider  
consultation, please call 217-545-8000.
