WELCOME TO SIU MEDICINE

I am pleased to present the SIU Medicine Department of Surgery Provider Directory. Here, you will find a comprehensive list of all medical providers throughout the Department of Surgery at SIU Medicine.

As the premier provider of surgical services in central and southern Illinois, SIU Medicine offers highly specialized care.

At SIU Medicine, our commitment is to meet your medical needs and to improve the health of our community. Our team of surgeons is comprised of university physicians and faculty members of SIU School of Medicine. We are dedicated to excellent medical care, the advancement of health care through research, and training the next generation of physicians and health care professionals.

Through our partnerships with numerous regional hospitals and clinics, we deliver quality patient care, unmatched in the region. We consistently strive to anticipate and serve the needs of our communities with cutting-edge technologies and top providers in each surgical specialty.

Sincerely,

Michael Neumeister, MD, FRCS(C), FACS
